

Summary of Emergency COVID-19 Hand Sanitizer Sources in Iowa

Updated 4/7/2020

CIRAS has reached out through our network of manufacturers in Iowa. We have identified several sources of production of emergency hand sanitizer.

Inclusion of a company on this list does not constitute or imply an endorsement of Iowa State University or CIRAS of the company, its products, processes, or services. Many of these sources are not regulated by the Food and Drug Administration or experienced in medical product manufacturing but have transitioned their production to meet these emergency demand. As such, ISU and CIRAS make no warranties, express or implied, including the warranties of merchantability and fitness for a particular purpose, nor the accuracy, completeness, or usefulness of any of the information provided to the sourcing agencies. Purchasing agencies should independently determine whether these sources are appropriate for the use intended.
