

Summary of Personnel Temperature Screening Devices

CIRAS has evaluated several manufacturers of infrared devices suitable for fever screening of employees and visitors. The list below, open to suggestion and discussion, is our current list of suppliers that appear to offer quality systems.

Inclusion of a company on this list does not constitute or imply an endorsement of Iowa State University or CIRAS of the company, its products, processes, or services. Many of these sources are not regulated by the Food and Drug Administration or experienced in medical product manufacturing but have transitioned their production to meet these emergency demand. As such, ISU and CIRAS make no warranties, express or implied, including the warranties of merchantability and fitness for a particular purpose, nor the accuracy, completeness, or usefulness of any of the information provided to the sourcing agencies. Purchasing agencies should independently determine whether these sources are appropriate for the use intended.
